You Belong Here

OCTOBER 2026

FROM Jenn

COME AS YOU ARE.

October is here, and I want you to know this: you belong here.

Rainbow Pride has always meant more to me than a group. It is a place to connect, share our stories, and show up for one another. One Love. One Family. That is what we are building together.

This month, we are making more room for the people and businesses within our community to be seen and heard.

Our $20 Business Spotlight gives you a recorded conversation to share your story, introduce your business, and tell our community where to find you.

For ongoing visibility, our business membership is $9.99 per month. Members can share two promotional posts each Tuesday in Rainbow Pride.

Whether you are a business owner, a creator, an ally, or someone looking for connection, you have a place in this community.

Thank you for being here and helping us build something worth belonging to.

With love and pride,

Jenn Fix

OUR COMMUNITY MISSION

A welcoming space to connect, share our stories, uplift one another, and create opportunities for our community to be seen, heard, and supported.

ONE LOVE. ONE FAMILY.

OUR *Mission*

OUR PURPOSE. OUR PEOPLE. OUR FUTURE.

ONE LOVE. ONE FAMILY. ONE COMMUNITY.

Rainbow Pride exists to create a space where LGBTQ+ people can be seen, heard, supported, and celebrated—without having to shrink or compete for belonging.

What began with connection continues to grow through stories, creativity, businesses, resources, and opportunities to support one another.

This October, we are making room for honest voices, new connections, and the people building something meaningful within our community.

Visibility matters. Belonging gives it purpose.

MORE THAN A GROUP. *This Is Our Family.*

OUR MISSION REMAINS THE SAME.
WE KEEP GROWING TOGETHER.

Thank you for helping us build what comes next.

WHAT WE STAND FOR

LOVE WITHOUT LIMITS
We celebrate people exactly as they are.

SUPPORT WITHOUT COMPETITION
We rise by lifting one another.

SAFETY AND RESPECT
A space for truth, dignity, and belonging.

UNITY WITHOUT EXCLUSION
Different stories. Shared humanity.

CELEBRATING EVERY WIN
Big milestones. Small steps. All matter.

HERE, WE MAKE ROOM TO:

BE OURSELVES
Fully. Loudly. Proudly.

BE HEARD
Our voices and stories matter.

BE INSPIRED
Learn, create, and grow.

BE EMPOWERED
Build. Heal. Lead. Thrive.

BELONG
One love. One family.

COMMUNITY SPOTLIGHT

IRENE VAKSBERG

Resilience. Purpose. Connection.

Irene Vaksberg knows what it means to build a life—and begin again.

An immigrant from the former Soviet Union, she built a hairdressing business from scratch as a single mother, A serious car accident changed that chapter, leading her to rebuild and explore a new direction in wellness.

Today, Irene shares her personal journey through her wellness business, approaching the work with a focus on purpose and individual support.

Her connection with Jenn has grown through three conversations on Soul + Systems, covering her story, business growth, and personal progress.

Within Rainbow Pride, Irene brings that same spirit of participation. She joins the conversation, encourages others, and has publicly shared her support for the community and its Business Spotlight.

This October, we celebrate Irene for the story she shares and the support she gives.

THAT'S WHAT SHOWING UP LOOKS LIKE.

A story of starting again. A place to belong.

ONE LOVE. ONE FAMILY. ONE COMMUNITY.

MAKE ROOM
For What Comes Next

RELEASE WHAT DRAINS YOU.
RECONNECT WITH WHAT MATTERS.

Autumn reminds us that change can be beautiful without being easy. A new season does not ask us to become someone else. It gives us a chance to decide what deserves our time, energy, and attention.

For many LGBTQ+ people, belonging has meant finding places where we can breathe, speak honestly, and be ourselves. Sometimes that starts with stepping away from expectations that no longer fit.

But making room is also about what we welcome in: a conversation, a creative idea, a friendship, or a community where our presence matters.

You do not have to rebuild everything at once. Choose one thing to release and one thing to nurture. Small choices can help shape a life that feels more like your own.

YOU CAN START AGAIN
And still be yourself.

Make room for connection.
