AUGUST 2026

FROM *Jenn*

THIS ISSUE TURNS THE SPOTLIGHT ON YOU.

Last month, Rainbow Pride Insider officially came to life. That first issue carried our roots—where Rainbow Pride began, why it mattered, and the community that kept it alive.

For August, we're turning the spotlight outward.

This edition is about the people who make this community what it is: the voices, businesses, creativity, milestones, resilience, and everyday courage that deserve to be seen.

Visibility matters. But visibility should lead somewhere—to connection, support, opportunity, and the reminder that none of us is building alone.

Every story shared, person nominated, comment left, and business supported helps shape what Rainbow Pride Insider becomes. This magazine was never meant to speak at the community. It was built to speak with it.

Thank you for showing up.
Thank you for making room for one another.
And thank you for helping us build something that belongs to all of us.

One love. One family. One community.

With love and pride,
Jenn Fix

OUR *Mission*

OUR PURPOSE. OUR PEOPLE. OUR FUTURE.
ONE LOVE. ONE FAMILY.
ONE COMMUNITY.

Rainbow Pride exists to create a space where LGBTQ+ people can be seen, heard, supported, and celebrated—without having to shrink, explain, or compete for belonging.

What began as a community built on connection has grown into a platform for stories, businesses, creativity, resources, and real opportunity.

We are here to make visibility mean something.

This is more than a group.

This Is Our Family.

OUR MISSION REMAINS THE SAME.
OUR REACH KEEPS GROWING.

Thank you for helping us build what comes next.

ONE LOVE.
ONE FAMILY.
ONE COMMUNITY.

COMMUNITY PROMPT RESPONSE

WHAT ARE YOU PROUD OF RIGHT NOW?

"Right now,
I'M MOST PROUD THAT I KEEP SHOWING UP."

— MEGHAN JO ANN NELSON

A quiet morning. A loyal companion.
One more decision to keep going.

COMMUNITY SPOTLIGHT

THE COURAGE TO KEEP SHOWING UP

This year has challenged Meghan in ways she never expected—setbacks, sleepless nights, and difficult decisions that would have made stopping easier.

But before the rest of the world wakes up, she and Kenai head out together. Those early walks have become more than a routine. They are proof that resilience isn't always loud. Sometimes, it is getting up, lacing your shoes, and choosing to continue.

Maybe strength doesn't always look like a finish line.
SOMETIMES IT LOOKS LIKE SHOWING UP AGAIN TOMORROW.

THIS MONTH'S FOCUS

VISIBILITY SHOULD LEAD SOMEWHERE.

Being seen is only the beginning.

AUGUST 2026 EDITORIAL THEME

VISIBILITY WITH PURPOSE

Visibility is powerful—but it is not the finish line.

For LGBTQ+ people, creators, business owners, and changemakers, being seen can create connection, trust, support, and opportunity. But visibility without community can still feel lonely, and attention without action changes very little.

That is why Rainbow Pride Insider is built to do more than publish stories. We want to help people discover each other, support LGBTQ+ businesses, celebrate milestones, share resources, and turn individual voices into collective momentum.

When one person speaks honestly, someone else feels less alone. When a small business is introduced, a new customer can find it. When an artist shares their work, another person may finally feel understood.

That is visibility with purpose.

VISIBILITY WITH PURPOSE
LOOKS LIKE:

- **Sharing real stories**
- **Supporting LGBTQ+ businesses**
- **Celebrating wins and milestones**
- **Connecting people to resources**
- **Making room for new voices**

WHAT WE'RE BUILDING

A publication where attention becomes connection—and connection becomes momentum.

BEING SEEN MATTERS.
BEING SUPPORTED CHANGES EVERYTHING.

AUGUST RESOURCE GUIDE

RESOURCES *That Move* YOU FORWARD

TOOLS • SUPPORT • NEXT STEPS

Support is not weakness. It is strategy.

Support can be practical, emotional, financial, or communal. You do not have to carry every part of the journey by yourself.

> *"You do not need every answer today. You only need a safe next step."*

START WHERE YOU ARE

- **FIND AFFIRMING CARE**
  Seek providers who respect your whole identity.
- **KNOW AND PROTECT YOUR RIGHTS**
  Keep reliable information within reach.
- **BUILD ECONOMIC POWER**
  Share, hire, recommend, and buy within community.
- **CONNECT WITH SAFE COMMUNITY**
  Choose spaces where you can exhale and belong.
- **ASK BEFORE YOU REACH BURNOUT**
  Needing support is human—not a failure.

WHEN YOU NEED A RESET

01 **NAME WHAT YOU NEED**
Clarity makes the next move easier.

02 **CHOOSE ONE NEXT STEP**
Progress does not require a perfect plan.

03 **CONTACT ONE SAFE PERSON**
Connection interrupts isolation.

04 **USE WHAT IS AVAILABLE**
The right tool is the one you can use today.

05 **KEEP MOVING WITHOUT JUDGMENT**
Your pace does not erase your progress.

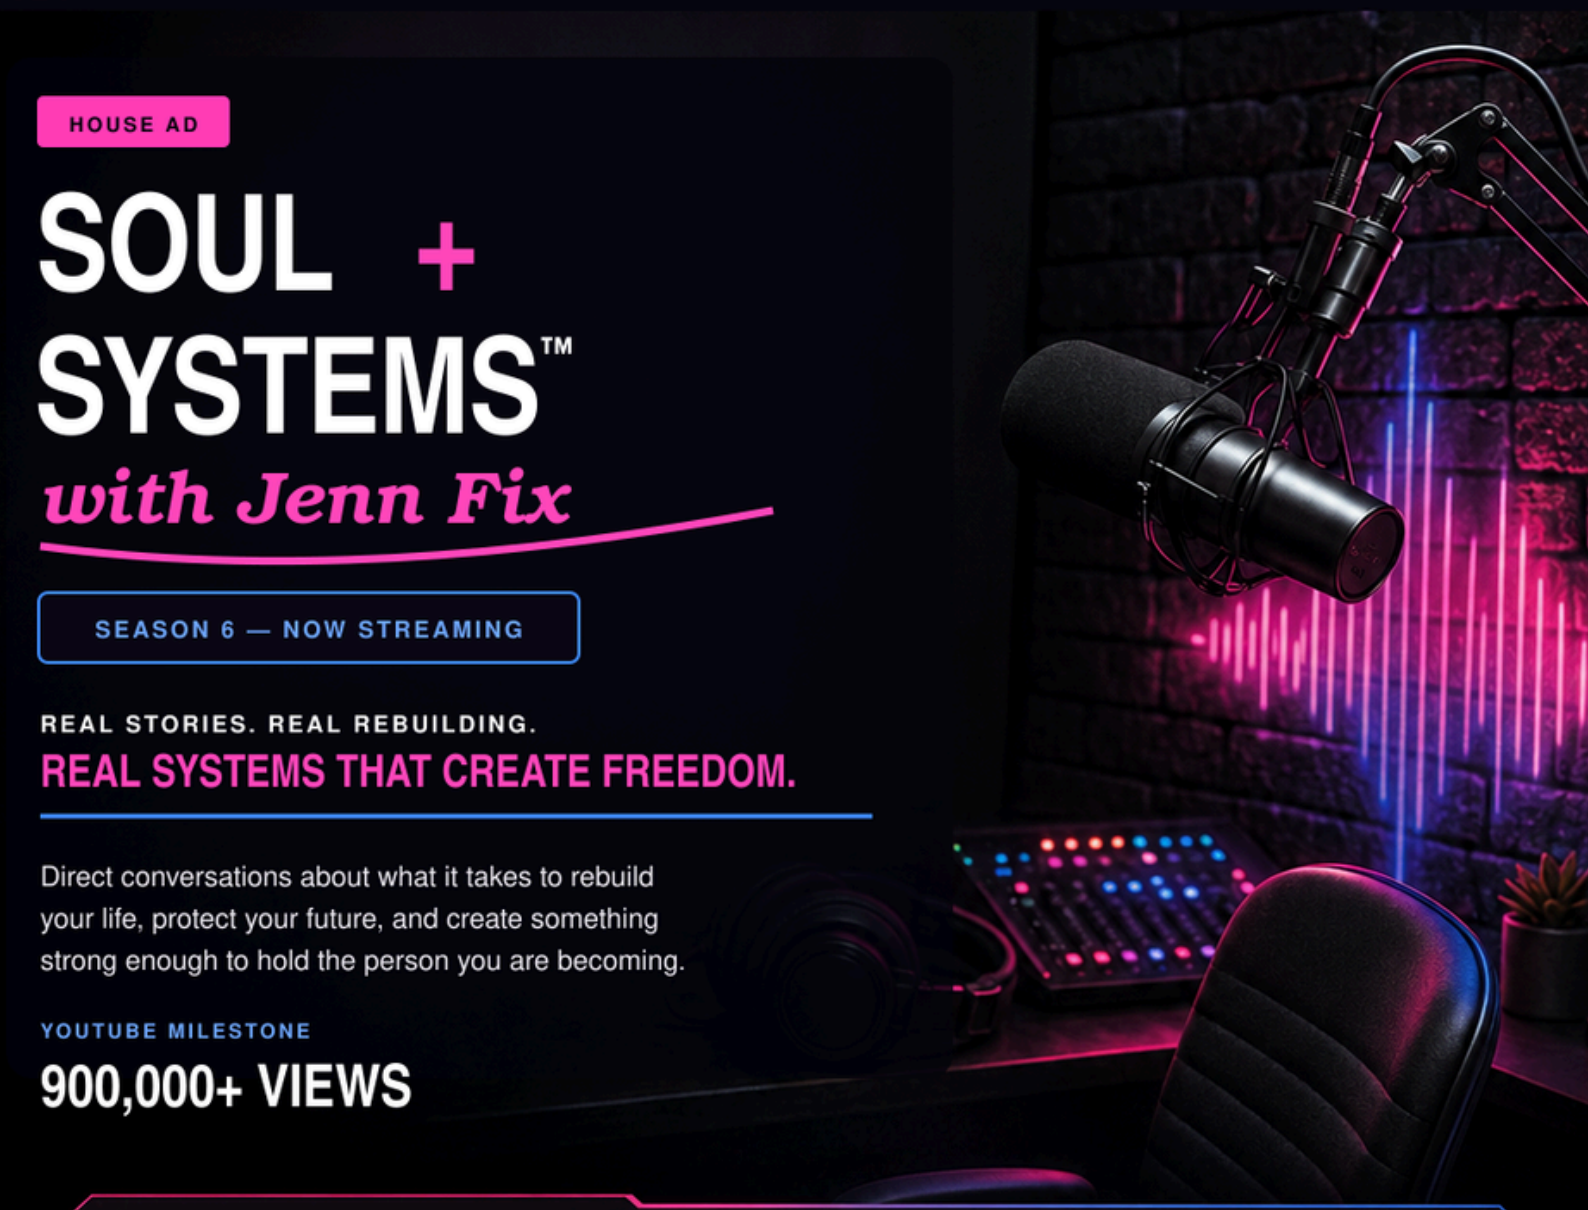

YOU ARE WORTH SUPPORTING.
YOU ARE WORTH INVESTING IN.
YOU BELONG HERE.
